The school dental clinic was again sponsored by the Harvey Lake Women's Club last year. Twenty-four pupils were treated, of whom twenty received complete care. Thirteen pupils received free care, while eleven paid the full cost. The total number of operations was seventy-eight. Northwood has this year joined with five other districts in purchasing a portable chair and engine for use in future clinics. The school nurse, Miss

Margaret Macdonald, has made the usual examinations, besides home reports and visits when necessary, and special calls.

The hot lunch has been supplemented by Federal Surplus Commodities, purchased by the government from the farmers to maintain prices and prevent waste, and distributed to schools and elsewhere, where it is deemed to do the most good.

Respectfully submitted,

CHESTER W. DOE,

Superintendent of Schools.
